### **BEST OVERALL SAT TUTORING PROGRAM – PREPSCHOLAR**

PrepScholar broke down some of the hard concepts and made them easily understandable. PrepScholar's tutors made it so easy by being able to make sense of complex topics and deliver personalized classes which are memorable and understandable for teens.

With the PrepScholar Tutoring Program, most of your work is done within the online prep course, and the tutor comes regularly to check on your progress, describe tough concepts, review practice test results, and clear your doubts.

Students can choose from packages starting from just 4 hours of tutoring up to 54 hours of tutoring. Thus, when you look at the fees of the tutoring alone, it's around \$120 to \$150 per hour determined by your package.

However, when you think of all the extra prep materials that additionally come with it, the true fees break down to about \$23 per hour.

## **BEST IN-PERSON TUTORS – PRINCETON REVIEW**

PrepScholar and a lot of other tutoring service providers offer only online tutoring for SAT prep, while Princeton Review on the other hand is one of the few that offers in-person tutoring as well.

Some students don't like online Zoom sessions. They need the answerability and openness of attending classes in person, face-to-face, where you can ask all your doubts face to face. So if you prefer offline classes more than online tutoring sessions, Then Princeton is the best choice.

Their hourly fees are around \$150 to \$180 range but remember their standard prep materials are included and offer a lot of value.

## **THE POPULAR SAT TUTORING PICK – KAPLAN**

Kaplan's tutors are very refined and knowledgeable and they include a lot of resources and study materials in their tutoring packages. When you opt for one of their tutoring packages, it comes with 8 full-length practice tests with score analysis, 4 hardcopy prep books, access to on-demand practice, 50 on-demand video lessons, questions in their Qbank, and a much more.

From a knowledge standpoint, Kaplan's Tutors can't be rivaled. They've each got many years of experience teaching the SAT.

Kaplan tutoring packages are sort of right in the middle-to-high range with fees running from \$115/hour up to \$200/hour determined by your package size.

## **BEST SAT TUTORING RATES – VARSITY TUTORS**

Varsity Tutors don't have a distinct teaching framework for their SAT lessons. Instead, each tutor has a unique method of teaching the SAT. Varsity Tutors employ their unique strategies, as well as delivery techniques which are quite affordable.

The hourly fees you can get with varsity tutors can be considerably lower than the other tutors we talked about. Their tutor's rates vary from \$20 per hour on the low-end up to \$175+ on the high-end.

With Varsity Tutors, you can search for a tutor in your area if you prefer in-person lessons. They also provide offline tutoring services.
