

# **Best PSAT Prep Courses & Study Guides 2022**

**Mittal Learning Stars in-depth guide to the best PSAT prep courses and study guides available for students in the year 2022**

SAT exam is still appraised as the standard college entrance exam, even as other tests such as the ACT exam take on more prominence. To ace the SAT exam, many students prefer the Preliminary Scholastic Aptitude Test (PSAT), or National Merit Scholarship Qualifying Test (NMQST). These tests help students to be prepared to take the full SAT exam, but they can also serve as the medium to qualify a student for the National Merit Scholarship Program. That is the reason why prep courses and study guides for the PSAT exam are considered a great help & as prominent as those for the SAT.

According to our team of experts, the following are the best 4 PSAT Prep Courses available in 2022 –

- **BEST OVERALL PSAT PREP COURSE – PREPSCHOLAR**
- **BEST LIVE PSAT CLASSES – KAPLAN**
- **BEST PSAT TUTORING – MITTAL LEARNING STARS**
- **BEST PSAT COURSE INSTRUCTORS – KRANSE INSTITUTE**

## **1. PSAT PREP COURSE – PREPSCHOLAR**

- Prepscholar uses the latest, flexible technology and algorithms to inspect students' weaknesses and strengths & then make a specialized study program keeping students' abilities in mind.
- They also offer a 150-point score increase guarantee, which means your PSAT score is guaranteed to improve by at least 150 points over prior exams, or they will refund your money back.
- The Prepscholar PSAT program offers more than 100 hours of online lessons and more than 7,000 practice questions made by their top experts.
- Almost every lesson includes quality video instruction that provides a greater sense of engagement and breaks down the complex questions and theories in an easy-to-understand way so that you'll obtain a greater knowledge of the exam, regardless of which section you're attempting.
- The Prepscholar system works in 3 different stages. First, you have to watch an online video lesson then you'll move on to PSAT test questions that are similar to the real questions of the exam. Finally, you have to review your answers and learn why you made these mistakes so that you don't repeat them.

## **2. LIVE PSAT CLASSES – KAPLAN**

- The Kaplan program allows its students the facility of live instruction & quality lessons with expert teachers who are affiliated with the college board.
- They also provide you 24/7 access to their SAT channel, which offers a vast range of practice questions, answers, and personalized test-taking strategies in an easy-to-learn format. They also allow you to take practice tests that include the previous year's official PSAT exams questions from the college board.
- Kaplan provides a question bank consisting of more than 1,000 practice questions and allows you to take advantage of 4 Kaplan SAT prep books.

## **3. PSAT TUTORING – MITTAL LEARNING STARS**

- Mittal Learning Stars offers Customized, one-on-one preparation with one of our expert tutors. In addition to watching online video lessons and attempting practice questions online, you and our expert tutor will build a plan with achievable goals and then work together to achieve them successfully.
- You'll be instructed on each step by our tutor who is expressly paired to your needs. Our program does allow you access to full-length practice tests as well as more than 2,000 practice questions.
- We will also provide you with the score feedback reports to let you know the exact mistakes you made and what was the reason behind them so that you can focus on your weak points to achieve the best possible score.

## **4. PSAT COURSE INSTRUCTORS – KRANSE INSTITUTE**

- Kranse Institute allows you access to 147 video lessons that are accessible from anywhere with an internet connection, as well as more than 100 testing strategies.
- Kranse Institute allows practice tests to be printed so you can take them on the go, and you get lifetime access to the KRANSE's mobile app as well.
- They also allow you 18 months of direct access to all of KRANSE's tools, online lessons, and materials so you can prepare not just for the PSAT, but for the SAT exam when the time comes. If you don't like the program after seven days, they offer a 7-day money-back guarantee.
- To ensure a high level of engagement Their video lessons average only 10 minutes in length which are easily understandable by students. Their main focus is on strategy-making and test-taking skills as they feel very opposed to memorization.
